Conference Services will assist with coordinating various services such as parking, dining, meeting spaces, and communication services, as other on campus services needed to meet the need of the event. Our process includes receiving your initial indication of interest followed by a detailed contract. All conference planners will have access to our cost planning worksheet for group sponsors to use throughout the process. Both a representative from the group and a NC State agent signs the contract itself. Some additional services require an addendum to the contract to be processed as well.

ELIGIBILITY

Groups of any size and individuals whose programs conduct educational activities consistent with NC State's mission may utilize our services. Conference Services and NC State University reserve the right to decline services to any request prior to the contracting process. There may be times when Conference Services will request references from previous institutions and/or locations of your events.

PAYMENTS

Payment of your final bill can be made using one of the following methods: in the form of a check drawn within the United States (with routing number on check), money order, credit card (MasterCard or Visa), or Inter-Departmental Transfer of funds within 30 days of receiving a billing statement. Once payment exceeds 30 days, a statutory interest (a variable rate mandated by North Carolina General Statute §147-86.23) and a late charge of up to 10% may be assessed for overdue accounts receivable. A \$30.00 charge will be assessed for a returned check. The group will be billed after the conference for their housing accommodations, any contracted services and any damages to the facilities incurred by their group.

ASSIGNMENT OF GROUPS

The contracting process will begin in late November for the following summer. Conference Services reserves the right to change assignments given need and demand of the conference program. When a specific number of spaces are requested, Conference Services will be prepared to house said number of participants + 10%. However, sponsors must understand that space may not be available for additional participants beyond this number.

Requests for particular locations are honored whenever possible. Sponsors must understand that submitting a request does not guarantee that the request will be granted in full. Conference Services reserves the right to modify any request to the extent that it deems necessary for the proper management of the conference program.

Sponsors may not make any commitments regarding housing to any of their program participants, nor distribute any information regarding rates, services, or procedures, without the prior written approval of Conference Services. University Housing Conference Services is not bound to uphold any inaccurate information that is distributed without approval.

Sponsors will be required to fulfill other commitments to facilitate the reservation process, such as providing a guaranteed minimum number of individuals to be housed at least two weeks prior to arrival, assigning participants to the rooms provided and completing participant rosters in advance.

A signed contract must be on file with Conference Services prior to the group arriving on campus.

OCCUPANCY

Room assignments are not transferable. Unauthorized overnight guests and subletting are not permitted. **Occupancy continues and a daily charge is due for each night an individual is in possession of a NC State room key.** Additional space for storage, camp stores or other purposes may be arranged through Conference Services and will be assigned based on availability. Such space will incur the contracted nightly housing rate.

CANCELLATIONS

A group may cancel the request for housing if done in writing 30 days or more prior to the contracted check-in date. There will be no charge for such cancellations. If a group cancels less than 30 days prior to check-in, we reserve the right to bill for 50% of the contracted request for housing space along with any other related service charges incurred for rentals or reservations.

FORCE MAJEURE: If the property is rendered unsuitable for the conduct of the user's activity by reason of force majeure, the University and the user are released from their obligations under the contract. Force majeure shall mean fire, earthquake, hurricane, flood, other acts of nature, strikes, work stoppages or other labor disturbances, riots or civil commotions, war or other act of any foreign nation, power of government, governmental agency or authority, or any other cause like or unlike any cause mentioned which is beyond the control of the University.

FACILITIES AND FURNISHINGS

Four types of accommodations are offered through University Housing. All NC State University residence halls are air-conditioned and sprinklered.

- In traditional corridor-style residence halls, rooms open onto a common interior hallway. Restroom and shower facilities are shared with other guests on the floor. (Tucker, Owen, Turlington, Alexander, Becton, Bagwell, Berry, Syme, Gold, and Welch Halls)
- In suite-style halls, 8 to 14 guests share suite and bathroom facilities. Sullivan Hall, Bragaw Hall, Lee Hall, and Wood Hall open onto exterior corridors. Bowen Hall, Metcalf Hall, and Carroll Hall suites open onto interior corridors. Wood Hall also offers individual suite lounges.
- North Hall and Avent Ferry Complex are motel style halls, offering double occupancy rooms with a private bath opening onto exterior corridors.
- Wolf Village is a four person apartment with two full bathrooms, a full kitchen, living room, ample storage, and a washer/dryer unit.

Most of the halls have lounges, kitchenettes, and recreation areas. Vending machines and coin-operated laundry machines are also available in each hall. Room furnishings include 2 closets, 2 dressers, 2 desks, 2 extra-long twin beds, 2 chairs and micro fridges. Wolf Village Apartments have full-sized beds. Maid service is not available, however, common area cleaning is provided on a daily basis, Monday through Friday. Guests and/or sponsors must place all trash and recycling in appropriate receptacles.

Some of our buildings are not fully handicap accessible. If this is an issue for a participant or group, we will need to know during the contract meeting to make appropriate building assignments. This will require that your entire group be housed in a location that will accommodate all of your participants. It will be the responsibility of the conference sponsor to let Conference Services know of any special accommodations that may be needed for their group. If notification regarding an accessibility concern is made after the contract signing, we cannot guarantee that handicap accessible rooms will be located in the same building as the rest of the participants.

For more detailed information about each building please visit the following website:

<http://www.ncsu.edu/housing/halls/>

ROOM CONDITION AND DAMAGE CHARGES

Prior to a group's arrival, Conference Services staff will complete a room condition report documenting the condition of the room and furnishings. A sponsor can request a copy of the report for the locations assigned to the conference at registration. Sponsors must report any discrepancies between the provided information and the actual condition of the room the day of arrival. The sponsor is held responsible for any changes in the condition of the rooms assigned to the conference and their furnishings, including linen. Damages refer to those things outside of normal use and depreciation. If damages do occur, it is the sponsor's responsibility to pay the charges and collect the amount from the responsible individual(s). The damage amount, including labor, will be reflected in the group's final bill.

Charges due to loss or damages will be assessed through University Housing and must be paid promptly. Groups with outstanding debts are not eligible for use of University facilities. Charges for loss of or damage to equipment or defacement in any common area (such as lounges, game rooms, hallways, and bathrooms), in addition to damages to individual rooms, will be charged to the conference group. Damages are determined by comparing prior and post-group room and common area condition reports. Charges are determined by the University's Facilities Operations unit or Housing Facilities personnel, as appropriate, and reflect the labor and material costs to make the necessary repairs. This also includes housekeeping related concerns.

ROOM KEYS

If a participant loses a room key and/or suite key, a temporary key can be obtained from Housing at the service desk. Due to security precautions, if the original key is not returned, the appropriate locks will be changed and new keys issued. Conference Services will bill the group \$115.00 for each lost key and \$15 per lost fob. Keys may not be duplicated.

MAIL

U.S. and campus mail will **not** be delivered to the University Housing facilities. Please notify conference participants that if they would like to receive mail, it must be addressed to the sponsor's departmental office or the University Housing office with prior approval. Arrangements must be made in advance through Conference Services. Housing is not liable for any lost or misdirected mail or packages.

STAFF

Students serve as conference staff and live in University Housing facilities where conferences are housed. The primary role of the conference staff is to serve as a presence in the building and to provide information and answer questions about campus, housing, Raleigh and the surrounding area. Staff members are selected on the basis of their abilities as role models, resource persons, and reliable administrators and are responsible for the administrative duties of the entire housing unit. They interpret and enforce University policies in an effort to promote an environment conducive to the safety, security, and privacy of University guests.

DESK SERVICES

Conference staff will be located at a common area service desk during extended business hours when a camp or conference is in session. Participants should communicate any facility concerns to the desk staff as soon as they occur. Staff will promptly report all maintenance and housekeeping requests from conference participants and work to ensure that the facilities are running smoothly and efficiently. After hours, an on-call phone number will be posted for participants to contact in case of emergency.

LINEN SERVICE

Linen service can be provided as part of your room rate. Linen packets include 2 sheets, 1 towel, and a washcloth. Basic linen packets will either be made available at the time of check-in from a central location or placed in the room on the bed prior to a guest's arrival. The full linen package also includes a blanket, a pillowcase, and a pillow. With the deluxe package, various amenities will also be placed in the room.

III. OTHER CHARGES

DINING SERVICES

Dining services are provided through one of our dining halls, food court eateries, or convenience stores. Facilities are open Monday through Friday. Weekend service will be available based on the number of conference participants contracted to eat on campus that day. If the dining facilities are closed, alternative meals can be arranged through University Catering. University Dining has a Registered Dietitian on staff to assist with nutritional planning for special needs of conference groups.

All dining costs will be based on the actual charges incurred or the guaranteed number, whichever is greater. There will be a 6% service charge added to your final dining amount. Upon receipt of your guaranteed numbers two weeks prior to your event, Conference Services will send confirmation of your dining location(s) and meal times based on campus needs, staffing, and the day of the week. The location(s) may not be adjacent to your housing location, but will be within a reasonable walking distance on campus.

When contracting meals, please note that individual participants may not choose meals “a la carte.” When generating meal cards, each meal card must have the same amount of meals.

If a group would like to have a special banquet or reception, a variety of menus and services are offered through University Catering. All catering costs will reflect the pre-arranged minimum number guarantee as referenced in section 7.0 of the Conference Services Contract. A rate quote will be provided when logistics are finalized and will be based on their current rate information at the time of event. Catering is coordinated at cost plus a 6% service charge. Visit <http://www.ncsucatering.com/uc/index.html> for the current catering guide.

Participants who plan to bring vehicles on campus must display a parking permit. Permits are available through Conference Services for \$2.50 per day (excluding weekends). Parking locations will be assigned by the Department of Transportation. The location(s) may not be adjacent to your housing location, but will be within a reasonable walking distance on campus. Parking may require the use of one of our parking decks. There are numerous variables that will dictate assigned locations. Every effort will be made to consider all aspects of your event and its impact on the campus community.

Parking permits must be displayed on all vehicles except when parked at coin activated parking meters. This policy applies to conference sponsors, staff, and participants. Conference permits are valid only in the designated parking zones on the face of the permit. Participants are encouraged to read the entire permit carefully to avoid parking citations.

Arrangements for special parking needs, such as handicap parking, service vehicles, loading/unloading, etc. should be made prior to the conference to insure requested permits are available upon arrival. Conference Services will also need to know two weeks in advance if your group will have a scheduled drop off and/or pick up of participants. The location for this will also be assigned by the Department of Transportation.

University Housing and Conference Services are not responsible for parking violations, citations, or fines accrued by conference participants. Questions regarding such occurrences must be handled directly with the NC State University Department of Transportation.

RECREATIONAL FACILITIES

If your group is interested in utilizing the recreation facilities operated by The Carmichael Complex, they may do so for a nominal charge. The Carmichael Complex offers a wide variety of facilities including

basketball courts, volleyball courts, weight rooms and an indoor track. Youth participants must be accompanied by a counselor/supervisor at a 1:25 ratio when utilizing both indoor and outdoor recreational facilities. There is a separate designated card for “youth” and “adult” participants. These cards must be carried at all times while using any recreational facilities. ALL participants are held accountable for policies related to our recreation facilities. We encourage you to make sure you are familiar with these policies and procedures. V. GENERAL INFORMATION

NOTICE OF RISK

Group sponsors must notify all participants of potential risks that may exist with Conference Housing and the group's activity at NC State. This notice must also be given to the parents/guardians of participants who are minors. It should be in writing. Group sponsors are responsible for identifying particular risks associated with their group activities. With respect to general risks, participants should be cautioned (i) not to go out alone or with strangers, (ii) to always keep possession of their keys, identification, and valuables (or keep them safely locked up), (iii) not to drink alcohol, take unlawful drugs, or abuse any medicated substance (prescribed or otherwise), and (iv) to comply with group guidelines, university policies, and laws. Group sponsors should provide participants with the emergency phone number of Campus Police (919-515-3000) and the campus safety information available at: http://www.ncsu.edu/ncsu/public_safety/campussafety.html

If a risk develops within a group upon arrival to campus (such as severe illness of one or more group members, intense conflict within the group or with another group, safety or security hazard, etc), group sponsors must notify Conference Services staff immediately. Due to the nature of residential housing and the potential impact on Housing staff members and other conference groups, it is imperative that information be communicated in a timely, appropriate manner to Conference Services staff.

In the event of a conflict in information between this document and the Conference Services contract, the contract shall take precedence.
