8. The parties to this Agreement agree and understand that the continuation of this Agreement is dependent upon and subject to the appropriation, allocation or availability of funds for this purpose. The parties to this Agreement also agree that in the event NC STATE, or that body responsible for the appropriation of said funds, in its sole discretion, determines in view of its total operations that available funding for the payment of the costs for this Agreement is insufficient to continue, it may choose to terminate this Agreement by giving Contractor written notice of said termination, and this Agreement shall terminate immediately without any further liability to NC STATE.

9. This Agreement shall be governed by and construed under the laws of the State of North Carolina, which shall also be the forum for any lawsuits arising from or incident to this Agreement. Contractor consents to the exclusive personal jurisdiction and venue of the courts of North Carolina.

Contractor further certifies that it shall maintain the confidential and exempt status of any social security number information, as required by N.C.G.S. §132-1.10(c)(1), and that it shall not re-disclose personally identifiable information as directed by State and Federal laws. Failure to abide by legally applicable security measures and disclosure restrictions may result in the
