

PROPOSED REPEAL OF RUL 02.15.07: Withdrawal of Graduate Students from the University

Rationale: We are requesting that this rule be repealed because it duplicates REG 02.05.04, Withdrawal from the University. Section 3.17 of the Graduate Administrative Handbook, Withdrawal of the University, (which is identical in content to RUL 02.15.07) will serve as the operational supplement to REG 02.05.04 for graduate students.

Review Process:

- Dean of the Graduate School authorizes transmittal of PRR for review 
- General Counsel preliminary review for legal issues (March 13, 2012)
- Administrative Board of the Graduate School (March 15, 2012)
- Provost (approval)
